

# M.S. Information Science and Technology 4+1 Program

PLAN FOR  
YOUR FUTURE

THINK  
AHEAD

GET SKILLS FOR  
TOMORROW

Earn your M.S. IST in one year after your undergraduate degree! This program offers the opportunity to complete a portion of the M.S. IST coursework during your last year of undergraduate courses.

If your GPA  $\geq$  3.0, you qualify for one semester; a GPA  $\geq$  3.5 qualifies for two semesters of dual enrollment.

When pursuing this option, you pay undergraduate fees while completing graduate coursework. This option is not only cheaper, but it allows you to complete your M.S. IST coursework more quickly. Contact us for more information!
